

Climb aboard and help us keep our mission on track.

Everyone loves the Switchback.

It's not only the exciting ride up Mt. Pisgah, with its spectacular views and unparalleled panoramas, it's also the history behind this incredible railroad.

For history buffs, it's the start of America's Industrial Revolution.

For train fanatics, it's America's 2nd oldest railroad.

For nature lovers, it's a great ride, scenic vistas, and wonderful trails.

For engineering nuts, it's ingenuity, invention and innovation.

For the kid in everyone, it's America's first roller coaster.

For everyone, it's an important part of our past.

Become a member today.

Benefits include:

Free Switchback tote bag for joining at the Individual level or above

Special invitations to members-only Switchback events, including guided hikes

Half price admission to the Mauch Chunk Museum, everyday

Yes! I want to climb aboard and support the Switchback Gravity Railroad Foundation.
